**WELCOME
TO THE
STAIRS
SCHOOL OF EXCELLENCE**

Dr. Pankaj Khandelwal
Principal

Principal's Message

As the Principal of this esteemed institution, it is with great pleasure and pride that I extend a warm greeting to all our students, parents, teachers, and staff members. At Stairs School of Excellence, we are committed to providing high-quality premium education that not only nurtures the intellect but also fosters holistic development. Our mission is to empower our students to reach the pinnacle of success in all facets of their lives, equipping them with the knowledge, skills, values, and Sanskar necessary to excel in the real world.

We firmly believe that every child deserves access to top-notch education, regardless of their background or financial status. Therefore, we have meticulously structured our fee system to ensure affordability without compromising on the quality of education. Our aim is to remove barriers to learning and create a level playing field for all our students.

Moreover, we understand the importance of instilling strong values and ethics in our students. Our emphasis on Sanskar, rooted in our rich cultural heritage, helps cultivate a sense of responsibility, respect, and integrity among our students, preparing them to become compassionate and principled individuals.

In addition to academic excellence and character development, Stairs School of Excellence boasts state-of-the-art sports facilities. We recognize the crucial role of sports in fostering physical fitness, teamwork, leadership, and sportsmanship. Our well-equipped sports infrastructure and dedicated coaches provide ample opportunities for students to explore their athletic talents and pursue their passion for sports.

Our dedicated team of educators is deeply passionate about guiding and inspiring our students to achieve their full potential. Through innovative teaching methods, personalized attention, and a nurturing environment, we strive to ignite a love for learning and instill in our students the confidence to pursue their dreams relentlessly.

As the name suggests, Stairs School of Excellence is not just about academic excellence but also about elevating our students to greater heights in every aspect of their lives. We encourage them to dream big, set ambitious goals, and work diligently towards realizing their aspirations.

I invite you to join us on this enriching journey of discovery, growth, and transformation. Together, let us create a community where each individual shines brightly, empowered to make a positive impact on the world.

Warm regards!

SCHOOL INFORMATION

Kota Educational and Health Charitable Trust founded an educational institution with name- STAIRS SCHOOL OF EXCELLENCE in December 2022 with its mission to Empower Communities through Education and Health. Stairs School of Excellence stands as a beacon of educational excellence and holistic development in our community. Since its inception, our school has been dedicated to providing unparalleled educational opportunities to students, empowering them to excel academically, morally, and physically.

Mrs. Mandeep Kaur
Director

Director's Message

Congratulations on selecting our esteemed institution for your child's education. Opting for the ICSE board for your child demonstrates foresight and consideration. The ICSE curriculum stands out for its comprehensive approach, covering all subjects with equal importance. This ensures a strong foundation not only for traditional fields like engineering, medicine, and IT but also for diverse areas such as management, humanities, languages (including foreign languages), and law. We recognize that each school possesses its own ethos, traditions, and identity. It's crucial for parents to understand and assess these aspects, as they significantly influence the development of their children. At our school, we remain steadfast in our core beliefs, prioritizing the individual needs of each student while maintaining our principles. We firmly believe in equality, where every student has the opportunity to carve their own path within our community, regardless of their parents' financial or social status.

Our aspiration is for every student to enter through the doors of knowledge (Gyan Dwar) and leave through the doors of strength (Shakti Dwar), equipped with an inquiring mind, strong social and moral values, a spirit of service and compassion, respect for nature, tolerance, a sense of humor, and other qualities essential to becoming exemplary citizens of India and the world.

The foundation of our school was laid with the mission of providing a world-class education system to students in and around Kota, Rajasthan, fondly known as the "Kashi of Knowledge". We are committed to enriching the value of education and empowering students with the competence to tackle challenges in any sphere.

The unwavering support from parents has been instrumental in the recognition our school has garnered thus far, and for that, we remain deeply grateful.

Our focus remains dedicated to our students' well-being, offering a student-centric ICSE curriculum that emphasizes practical-based learning without undue stress.

Concurrently, we provide a wide array of co-curricular and extracurricular activities to ensure their holistic development and readiness to face the world with confidence.

While we are still in our nascent years, there is much yet to accomplish. Year by year, we continue to grow, relying on the ongoing support of parents, teachers, and our entire team to mold our students into responsible, empathetic, and competent citizens, embodying the essence of good human beings.

My best wishes to all of them.

Regards!

Why ICSE

Academic Excellence

Why ICSE?

The Indian Certificate of Secondary Education (ICSE) board offers several benefits to students, parents, and educators alike:

- 1. Comprehensive Curriculum:** The ICSE curriculum is well-structured and comprehensive, covering a wide range of subjects and topics. It provides students with a strong foundation in various academic disciplines, including languages, sciences, humanities, and vocational subjects.
- 2. Focus on English Language Skills:** ICSE places a strong emphasis on English language proficiency, helping students develop strong reading, writing, and communication skills. This focus on English language fluency is beneficial for students in both academic and professional settings.
- 3. Integrated Approach to Learning:** The ICSE curriculum encourages an integrated approach to learning, allowing students to make connections between different subjects and concepts. This interdisciplinary approach fosters critical thinking, problem-solving, and creativity among students.
- 4. In-depth Study and Application:** ICSE syllabus encourages in-depth study and understanding of each subject, rather than rote memorization. This promotes a deeper understanding of concepts and encourages students to apply their knowledge to real-world situations.
- 5. Focus on Practical Skills:** ICSE incorporates practical components in various subjects, such as science experiments, project work, and field trips. This hands-on approach helps students develop practical skills, scientific temperament, and problem-solving abilities.
- 6. Flexibility and Choice:** ICSE offers a wide range of subjects and elective options, allowing students to tailor their education according to their interests, strengths, and career aspirations. This flexibility enables students to pursue diverse academic pathways and explore their passions.
- 7. Recognition and Acceptance:** ICSE is recognized and accepted by colleges, universities, and educational institutions worldwide. The rigorous academic standards and comprehensive curriculum of ICSE make its students well-prepared for higher education and professional endeavours.
- 8. Holistic Development:** ICSE aims to foster the holistic development of students by promoting values, ethics, and character education along with academic excellence. The curriculum includes co-curricular and extracurricular activities, sports, arts, and community service initiatives to nurture well-rounded individuals.
- 9. Examination System:** ICSE board conducts examinations that are designed to assess students' analytical, conceptual, and problem-solving abilities rather than rote memorization. This examination system encourages students to think critically and demonstrate their understanding of the subject matter.

Overall, the ICSE board offers a balanced and comprehensive educational experience that prepares students for success in higher education, professional careers, and life beyond school.

WHERE TEAM WORK IS FUN

SSOE incorporates the value of Team Work in every pupil, so that they grow up to be team players, take responsibility and evaluate things on a team basis

PHILOSOPHY & TEACHING METHODOLOGY

PHILOSOPHY & TEACHING METHODOLOGY

Indian Ethos. International Standards.

At STAIRS SCHOOL OF EXCELLENCE, we believe in the philosophy of interactive learning. We blend theoretical and practical knowledge by constantly innovating our ways of imparting knowledge and skills to our students.

Finding a suitable platform to merge classroom and real-world scenarios, we prepare our students for every walk of life. What's more, we make sure our pupils grow up to be wholesome, thoughtful, and well-informed individuals in sync with the scientific and cultural ethos of a constantly evolving world.

STAIRS SCHOOL OF EXCELLENCE incorporates real-world teaching taking advantage of its good infrastructure. Our chief aim is to foster innovative learning by blending traditional values with global education.

INFRA STRU CTURE

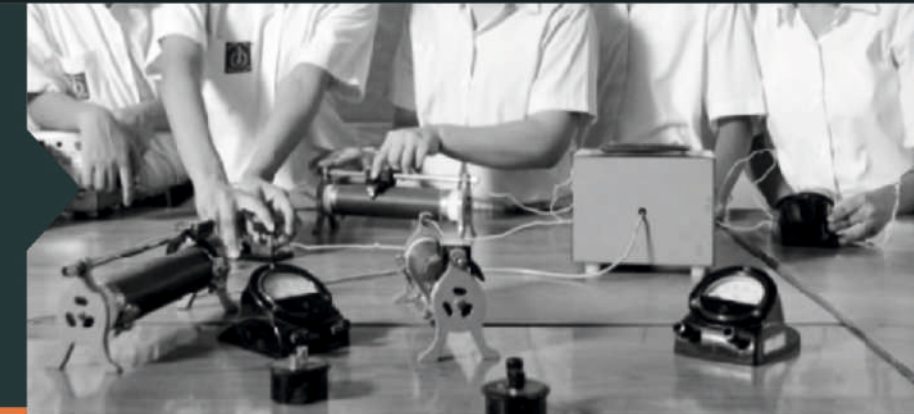

INFRASTRUCTURE

“Galaxy of Stairs Educators”

MISSION

Our mission is to develop young adults with active and creative minds, a sense of understanding and compassion for others, and the courage to act on their beliefs. We emphasize on the total development of each child: spiritual, moral, intellectual, social, emotional, and physical, and establish values that will allow him/her to act with thoughtfulness and humanity. To this end, we have prepared an environment that is engaging and responsive to each child at different stages of development. We provide the best possible education for students by developing the knowledge, attitudes, and skills-sets essential for life-long learning.

VISION

To create a generation of pioneers and global citizens
 We Encourage At STAIRS SCHOOL OF EXCELLENCE, the success of any teaching methodology is key to the working of our institution. Our internal management team evaluates not only pupils' development, but the progress of a teacher in taking her or his students to a higher echelon of learning and growth. With close internal monitoring as a tool of quality assessment, we aim to “walk the talk” and cater to the expectations of a generation that is exposed to global culture.
 At the same time, we intend to strengthen their awareness about their roots.

We Encourage

- Compassion for Others
- Concern for the Environment
- Confidence in our Cultural Heritage
- Cross Cultural Awareness

MOTTO

“Empowering Excellence, Embracing Diversity”

We dedicate ourselves to the noble cause of education in drawing out the best in man and endowing him with courage, confidence, hope and the spirit of righteousness.

ADMISSIONS

admissions are offered to Kindergarten (Play-group, Nursery, LKG and UKG), and Classes I to VIII subject to availability of seats and eligibility.

APPLICATION FORM

Parents who wish to apply to SSOE can obtain the application form from the school office by paying the prescribed cost directly/online.

Admissions to SSOE are processed through the following organised procedures.

Submit the duly completed application form on or before the stipulated date. The following documents should be submitted along with the completed form:

- Certified copy of the School Report Card of the previous academic year (If applicable)
- Original Transfer Certificate from the previous school (If applicable).
- Four passport size photographs of the applicant
- Passport size photographs of both the parents and guardians
- Certified copy of the birth certificate
- Certified copies of the Aadhar Cards of the applicant and both the parents and guardians
- All photocopies must be self-attested along with the date of attestation.
- Attested copy of the caste certificate and minority certificate (If applicable).

The original documents of the submitted photocopies should be made available upon request for verification.

The mere submission of an application form does not guarantee admission to the school.

FOUNDATION TEST

After the submission of the completed application form, the candidates will be shortlisted for a foundation test.

After the admission test, the candidates are shortlisted according to their scoring.

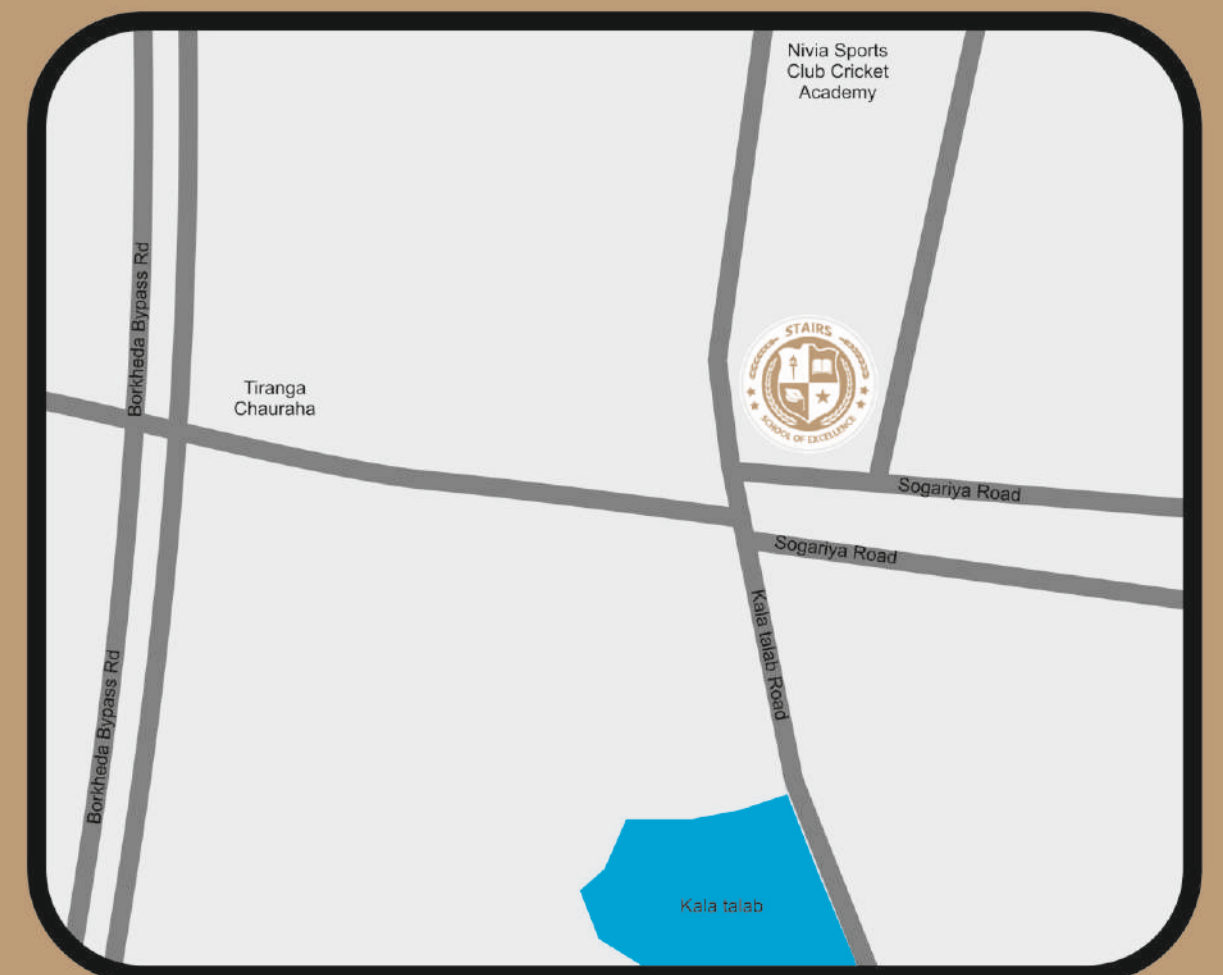

CERTIFICATE VERIFICATION

When the candidate comes for the admission test, all original documents (whichever is relevant) should be brought to the school for verification.

FACE-TO-FACE INTERACTION

The shortlisted candidate will be called for a face-to-face interaction along with their parents and the selected candidate will be informed, and will be called for making the necessary payment.

Once admission is finalised parent will be informed to send their ward to school.
